THE ATLANTIC COAST CONFERENCE

The Tradition

John Swofford,
ACC Commissioner

Consistency. It's the mark of true excellence in any endeavor.

However, in today's intercollegiate athletics, competition has become so balanced and so competitive that it is virtually impossible to maintain a high level of consistency.

Yet the Atlantic Coast Conference has defied the odds. Now in its 53rd year of competition, the ACC has long enjoyed the reputation as one of the strongest and most competitive intercollegiate conferences in the nation. And that is not mere conjecture, the numbers support it.

Since the league's inception in 1953, ACC schools have captured 94 national championships, including 49 in women's competition and 45 in men's. In addition, NCAA individual titles have gone to ACC student-athletes 120 times in men's competition and 60 times in women's action.

The conference had an immediate impact on the national college football scene in the fall of 1953 when the University of Maryland captured the first of what would eventually be five national football titles for the ACC. Clemson laid claim to the league's second national title in 1981 while Georgia Tech followed suit in 1990. Florida State pocketed national titles No. 4 and 5 in 1993 and 1999, respectively.

In addition, Miami has laid claim to five national gridiron titles over the past 22 seasons. Four of the Hurricanes' five national titles (1983, 1987, 1989, 2001) were unanimous with both the sportswriters and coaches polls in agreement, while in 1991 Miami (AP) shared the national title with Washington (coaches).

The 12 institutions that take to the field this fall under the ACC banner have produced 497 first or second team gridiron All-Americans and 70 first-team academic All-Americans. ACC schools have had 2,125 players selected in the annual professional football draft, including 191 first round selections.

If success is best measured in terms of wins and losses, then the ACC over the years has proved itself to be among the elite in Division I-A football. The ACC is the nation's winningest bowl conference, as the 12 current league teams are a combined 132-115-5 (.533) in post-season play.

Following its 3-3 bowl mark in 2004, the ACC is the only conference to post a .500-or-better record in post-season play in each of the past four seasons. Since 2001, the ACC is 16-9 in postseason play and has the best bowl winning percentage (.640) among all BCS conferences.

In 2002, the ACC set an NCAA record when seven of its nine teams (78%) received bowl bids.

Georgia Tech is the winningest bowl team in Division I-A history. Following its 51-14 win over Syracuse in last year's Champs Sports Bowl, the Yellow Jackets are 22-11 (.667) while Boston College (.625) is fourth and Florida State (.606) is eighth.

For the first time in league history, the ACC surpassed the 3.5 million mark in total attendance in 2004 and for the fifth straight year, the league set new single-season records in attendance. In 66 home games during the 2004 season, ACC teams drew 3,693,032 fans, breaking the existing record of 3,006,841 set during the 2003 season.

2004-05 in Review

The 2004-05 academic year concluded with the league pocketing three more national team titles and seven individual NCAA crowns. In all, the ACC has won 51 national team titles over the last 15 years.

The ACC's 2004-05 national champions were Wake Forest in field hockey, North Carolina in men's basketball and Duke in women's golf. In addition, a total of 181 student-athletes from the ACC earned first, second or third team All-America honors this past year.

The Championships

The conference will conduct championship competition in 25 sports during the 2005-06 academic year - 12 for men and 13 for women.

The first ACC championship was held in swimming on February 25, 1954. The conference did not conduct championships in cross country, wrestling or tennis during the first year.

The 12 sports for men include football, cross country, soccer, basketball, swimming, indoor and outdoor track, wrestling, baseball, tennis, golf and lacrosse. Fencing, which was started in 1971, was discontinued in 1981.

Women's sports were initiated in 1977 with the first championship meet being held in tennis at Wake Forest University.

Championships for women are currently conducted in cross country, volleyball, field hockey, soccer, basketball, swimming, indoor and outdoor track, tennis, golf, lacrosse, softball and rowing.

A History

The Atlantic Coast Conference was founded on May 8, 1953, at the Sedgefield Inn near Greensboro, N.C., with seven charter members - Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest - drawing up the conference by-laws.

The withdrawal of seven schools from the Southern Conference came early on the morning of May 8, 1953, during the Southern Conference's annual spring meeting. On June 14, 1953, the seven members met in Raleigh, N.C., where a set of bylaws was adopted and the name became officially the Atlantic Coast Conference.

Suggestions from fans for the name of the new conference appeared in the region's newspapers prior to the meeting in Raleigh. Some of the names suggested were: Dixie, Mid South, Mid Atlantic, East Coast, Seaboard, Colonial, Tobacco, Blue-Gray, Piedmont, Southern Seven and the Shoreline.

Duke's Eddie Cameron recommended that the name of the conference be the Atlantic Coast Conference, and the motion was passed unanimously. The meeting concluded with each member institution assessed \$200.00 to pay for conference expenses.

On December 4, 1953, conference officials met again at Sedgefield and officially admitted the University of Virginia as the league's eighth member. The first, and only, withdrawal of a school from the ACC came on June 30, 1971, when the University of South Carolina tendered its resignation.

The ACC operated with seven members until April 3, 1978, when the Georgia Institute of Technology was admitted. The Atlanta school had withdrawn from the Southeastern Conference in January of 1964.

The ACC expanded to nine members on July 1, 1991, with the addition of Florida State University.

The conference expanded to 11 members on July 1, 2004, with the addition of the University of Miami and Virginia Polytechnic Institute and State University. On October 17, 2003, Boston College accepted an invitation to become the league's 12th member starting July 1, 2005.
