# NATIONAL CHAMPIONS

Maryland's home for Terrapins Athletics was completed in the fall of 2002 and has provided five seasons of toppled attendance records and memories on the hardwood. Comcast Center provides a seating capacity of 17,950 fans for basketball games and serves as the campus site for university special events and select community events.

The Terrapins' first public basketball event at the arena was the 2002 Midnight Madness celebration, which has grown to become one of the premier student events of the academic year. The women's basketball team holds the distinction of playing the first-official game in Comcast Center, an 80-72 victory over Loyola on Nov. 22, 2002, also the first game of the Brenda Frese era.

In each of the five seasons Maryland has called Comcast Center home, attendance for women's basketball games has soared. The Terps have ranked in the top 25 in scoring the last three seasons and in 2006-07, ranked sixth in the nation in average home attendance. Maryland made the largest single-season improvement in home attendance in the nation last year, nearly doubling its average attendance from the previous season. A school-record 150,000-plus fans attended games in the state-of-the-art arena, while more than 240,000 spectators watched the Terrapins play in home, road and neutral contests, the fourth-most in the country in 2006-07.

Comcast Center has also been the site of seven of the 10 largest crowds in ACC women's basketball history. Among the top crowds are two sold out games in 2006-07, breaking the conference's single-game attendance record, a mark held by the Terrapins.

The top-notch facility was site of the first and second rebounds of the 2005 NCAA Division I Women's Basketball Championship, and is again a proud host in 2008 and 2009.

Fans can also relive its memories of the men's and women's basketball national championship seasons. The arena also holds both team's crystal national championship trophies in glass-encased display on the concourse level, while the Final Four playing surfaces are prominently displayed on the arena's floor level.

Comcast Center houses the university's athletic administration offices and includes a 7,000-square-foot Academic Support Center, providing enhanced study atmosphere for the school's near-750 student-athletes on 27 teams. An additional 1,500-seat gymnasium serves as home to the Terps' volleyball, gymnastics and wrestling teams. The Sprint-Nextel Heritage Hall multi-purpose room, which is located on the concourse level, is equipped to host banquets, press conferences, meetings and serve as a pre-game restaurant suite overlooking the competition arena, while the 20 suites provide enhanced viewing and entertainment capabilities for Maryland fans.

Comcast Center is an excellent place for alumni and fans to enjoy their favorite sports and share their common Terrapin spirit. Visitors can learn about the men and women who have forged the Maryland Athletics program among the nation's elite as they stroll through the Terrapin Walk of Fame and History. The Terrapin Team Store, located just off the soaring three-level atrium lobby allows visitors to outfit their pride, Maryland has, once again, reclaimed the status of having the best student activities center and basketball arena in the country.
