

LUDWIG FIELD, HOME OF THE TERPS

Since its opening in 1995, state-of-the-art Ludwig Field has been the home of the Terrapin men's and women's soccer teams as well as playing host to numerous other local soccer events throughout the past six years.

Due to the expanding horizon of Terrapin soccer and the growing interest in its achievement on the field, the University of Maryland embarked on a project that would bring the level of the facility on par with the excellence of the programs that played there.

The \$2.5 million facility was dedicated on Sept. 16, 1995, and is surely a cornerstone of collegiate soccer throughout the nation.

The 4,000-seat facility is an integral part of the more than \$40 million of new construction for Maryland athletics. The complex is fully lighted with an all-weather track and sodded Bermuda grass playing field.

The permanent lights allow for commonly scheduled night games. The lights also allow Maryland the ability to host NCAA and Atlantic Coast Conference tournaments and nationally televised games. Since its opening, Ludwig Field has played host to six NCAA Tournament games, including Maryland's 6-0 win over Long Island in 1999.

In addition to the collegiate games played at Ludwig Field, the complex has played host to numerous U.S. and professional soccer matches, as well. Among the teams who have used Ludwig Field as their home-away-from-home are the 2000 U.S. Women's Na-

Ludwig Field was packed for the Terps' game against North Carolina on Oct. 10, 1997, when a facility-record 4,380 came out for the ACC battle.

tional Team and the WUSA's own Washington Freedom.

In addition to the high-level of competition created by the excellent playing surface at Ludwig Field, the complex was also created with the local soccer fan very much in mind. The field is located directly adja-

cent to Parking Lot 1 and close to the University Boulevard entrance.

The facility is named after lifetime Terrapin friends Bob and Louise Ludwig.
