## BIG TEN. BIG NEWS.

- Ohio State extended its nation-leading winning streak to 14 games with its victory over Virginia Tech. The Buckeyes have won 14 consecutive road games, as well as 12 straight Big Ten road games.
- Maryland's William Likely set a new Big Ten single-game record for punt return yards with 233 yards on Saturday against Richmond. That total surpassed the previous record of 201 punt return yards set by Iowa Heisman Trophy winner Nile Kinnick in 1939. Likely added 63 kickoff return yards to finish with a nation-leading 296 all-purpose yards.
- During its victory over Stanford on Saturday, the Northwestern defense held the Cardinal to 240 yards and six points, the lowest totals for Stanford since 2007.
- With two touchdowns against Virginia Tech, Ohio State's Braxton Miller set a new school record for career touchdowns accounted for. Miller, who missed last season due to injury and made his first appearance at H-back on Monday, now has 86 career touchdowns, including 52 passing, 33 rushing and one receiving.
- Six Big Ten defenses held their opponents to fewer than 100 rushing yards in the opening week of the season, including three that allowed fewer than 50 yards. Rutgers led the way with -3 yards allowed, followed by Michigan State with 18 yards allowed and Iowa with 35 yards allowed.
- Big Ten offenses averaged 32.8 points and 413.1 yards per game last week with six schools exceeding 40 points. Leading the way were Rutgers with 63 points and Indiana with 595 total yards.

• When Michigan State hosts Oregon on Saturday, two of the nation's top defensive and offensive units will face off. The Spartans ranked eighth nationally in total defense in 2014 while the Ducks were third in the nation in total offense.

• Six Big Ten students were named to the Capital One Academic All-America first or second teams in football last season. The Big Ten has led all Football Bowl Subdivision (FBS) conferences in Academic All-Americans for 10 straight seasons, with 78 honorees over that time span.

## LETTERED IN LIFE

This season the Big Ten is highlighting a unique online video series that will feature senior students looking back to give advice to themselves as freshmen. Last week we featured Maryland's **Andrew Zeller**, a 2014 Academic All-Big Ten selection. As he works towards a master's degree in supply chain management, Zeller talks to his freshman self about the importance of hard work in the first video from the Lettered in Life series.

Visit the Big Ten page on Facebook ([facebook.com/BigTenConference](https://www.facebook.com/BigTenConference)) or YouTube ([youtube.com/BigTenConference](https://www.youtube.com/BigTenConference)) to watch the video and learn more about the Lettered in Life series.

## BIG TEN FOOTBALL AWARDS

The Big Ten will continue to honor its past while recognizing its current standouts at the conclusion of the 2015 campaign. The Big Ten's enhanced football awards program presents 18 individual trophies in addition to the Big Ten Championship trophy, bearing the names of one or two former standouts. The distinguished names on these football awards honor just a small sampling of the countless students and coaches who have contributed to the conference's rich and storied history.

Seventeen of the honors will be awarded immediately following the regular season, including awards for the best quarterback, running back, receiver, tight end, offensive lineman, defensive lineman, linebacker, defensive back, kicker and punter. Each of these individual position awards features the names of two former players.

The Big Ten will also continue to honor the conference's top coaches, offensive and defensive players and linemen and freshmen with end-of-year trophies. Big Ten coaches have the opportunity to claim two awards. Media voters will select the Dave McClain Coach of the Year, which has been awarded since 1972, while coaches vote for the Hayes-Schembechler Coach of the Year award. The top offensive player will receive the Graham-George Offensive Player of the Year award, the best defensive player will be awarded the Nagurski-Woodson Defensive Player of the Year award and the best first-year standout will receive the Thompson-Randle El Freshman of the Year award.

The winner of the Big Ten Football Championship Game will receive the Amos Alonzo Stagg Championship Trophy, while the most outstanding player in the game will be awarded the Grange-Griffin Championship Game MVP award. The conference also created two postcollegiate awards - the Ford-Kinnick Leadership Award and the Dungy-Thompson Humanitarian Award.

The full list of awards, along with a breakdown of the former standouts appearing in each award's name, appears to the right.

### BIG LIFE. BIG STAGE. BIG TEN.

Every CIC institution ranks among the top 78 universities in the nation according to the 2014 Academic Ranking of World Universities, including six in the top 25.

## Big Life. Big Stage. Big Ten.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

### PREMIER ACADEMIC INSTITUTIONS

The Committee on Institutional Cooperation (CIC) is an academic consortium of all 14 Big Ten universities and the University of Chicago, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every CIC institution ranks among the top 78 universities in the nation according to the 2014 Academic Ranking of World Universities, including six in the top 25.

The Big Ten leads all conferences with more than 1,600 Academic All-Americans, including 45 honorees during the 2014-15 academic year.

CIC schools had over \$10 billion in 2013 funded research, \$4 billion more than any other conference.

### A HISTORY OF ATHLETIC SUCCESS

Big Ten schools earned 10 team national championships in 2014-15, breaking the previous conference single-season record of nine national titles in 1999-2000.

In the last two academic years, current Big Ten institutions have claimed 17 team national championships in 12 different sports.

Over the last 10 years, current Big Ten institutions have won 78 team national titles in 23 different sports, including at least seven in each of the last seven academic years.

### BROAD-BASED PROGRAMMING

The Big Ten will administer over \$200 million in direct financial support to almost 9,500 students competing in intercollegiate athletics for more than 11,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse the last two years.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

Almost 1,400 Big Ten competitors have participated in the Olympics, winning more than 600 medals, including nearly 300 gold.

### PASSIONATE FOLLOWING

The Big Ten leads all conferences with 5.7 million alumni and nearly 580,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference leads the nation in attendance for men's basketball, hockey, volleyball and wrestling.

### LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively.

### EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's media agreements with BTN, ABC/ESPN, CBS and FOX, nearly 1,400 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is in more than 60 million homes across the United States and Canada. BTN2Go is BTN's digital extension, delivering live and on-demand programming to computers, smartphones and tablets. BTN Plus within BTN2Go streams hundreds of additional events each season.

### COMMUNITY INVOLVEMENT

For more than 25 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference holds numerous community initiatives, such as the Big Ten Career Expo, SaturDAY of Service and Officiating and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for the Wounded Warrior Project.
